**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the age of BIG we need the small ISPs to keep the giants from taking over and exploiting us. I run a one-man business, and don't want them to squeeze me off the internet, or even down the hierarchy ladder. The system works, don't fix it!

Please save the little guys by denying the USTelecom petition!
